

<b>HOMEWORK JOURNAL RUBRIC</b>
--------------------------------

20 points	19 points	15 points
PERFECT!! all work is shown and not a single problem is missing	Close to perfect - all work is shown and there are only 5 or fewer problems unfinished	Missing up to a full problem set or the equivalent - or work shown but not consistently or clearly

10 points	5 points	1 point
Missing up to 2 problem sets or the equivalent - or work very unclear or very minimal	Missing between 2 and half the problem sets - or most work missing (even if all sections done)	Less than half the problem sets - or no work shown even if all problems and answers are written

In addition to the above points, 1 point is recorded for each of the following:

- \_\_\_\_\_ flat folder with clips
- \_\_\_\_\_ pages are inserted into clips and not loose, stapled or in pocket
- \_\_\_\_\_ sections are in order
- \_\_\_\_\_ new sections begun on front side of new page *and* clearly labeled
- \_\_\_\_\_ neatness: work & answers together, easy to find and distinguish, problems clearly numbered

\*\*\*\*\*

**PLEASE NOTE:** For Math 101, some of the problems in the Extended Syllabus are significant enough to be equivalent to an entire section in your textbook. Be sure not to skip any of these problems, but rather take them seriously.
